

## CHRISTMAS BIRD COUNT

On December 14th, Ponca State Park will be hosting their annual Christmas Bird Count. Birders near and far, novice and experienced, are encouraged to come out and join us for the day.

Please arrive at the park by 7:30 for instructions and checklists. Make sure you have binoculars and bird books handy and please, dress appropriately.

Soup and other goodies will be served around noon to all participants (free) at the Resource and Education Center.

The data collected by observers allows researchers and conservation biologists to study the long term health and status of bird populations across the states.
